Subj: RESCHEDULING OF THE HORNET RECURRING INTERNATIONAL LOGISTICS
REVIEW, WEEK OF 21 THROUGH 24 SEPTEMBER 2020

Ref: (a) PMA-265 ltr 4920 Ser PMA-265/20-0909 of 27 January 2020

1. Reference (a) provided the formal invitation for The Hornet Recurring International Logistics Review (THRILR) 2020 for the dates of 30 March through 2 April 2020. This review has been postponed due to the ongoing COVID-19 health crisis.
2. Assuming we are given the "all-clear" direction from world health organizations and our respective leadership to resume normal operations, including travel, the purpose of this correspondence is to announce the rescheduling of THRILR 2020 for the week of 21 through 24 September 2020, and also serves as the save-the-date and formal Invitation Letter. The venue will remain the same at Embassy Suites, Two Convention Center Plaza, St. Charles, Missouri 63303. I also understand there were issues with the previous URL to register for the meeting and hotel using a NMCI asset. If you experience that issue, you may call the reservations phone line at 1.800.EMBASSY or book online through the Hilton.com website, using group code ZTR. You may also utilize <http://www.gohornetteam.com>. However, a quick troubleshoot of the URL indicates the earlier glitch has been repaired and is now functional to register for both the meeting and the hotel. Please note the cut-off date to register is 27 August 2020.
3. The preponderance of the agenda was already developed in preparation for the week of the 30 March review. Please continue to check the registration URL and the PDAPML Sharepoint sites for updates to the agenda and meeting viability.
4. Questions or comments concerning the subject meeting or this correspondence should be directed to Mr. Daniel Wagner, F/A-18 International Business Product Support Team Lead (PSTL) at (301) 737-2225 or email daniel.wagner@navy.mil.
